Dear Parents/ Carers

It is with great news I would like to inform you that Kanga Sports will be delivering a fun packed **Multi Sports** after school club.

We are excited to introduce our multi sports after school club which includes tactical games such as boccia, curling, Danish longball and ultimate frisbee

All our clubs are tightly structured and well supervised. They are designed for **all abilities** and we promote self confidence, creativity and respect when working with others, in all our sessions. At the end of the block our coaches will present an award for the stand out player of the 7 week course.

If you are interested in your child attending please follow the directions below or follow the QR code direct to the booking page.
