

7<sup>th</sup> May 2026

Dear Parents and Carers,

At Cottingley Village Primary School, we are committed to working closely with families to support children on SEND Support. From September, we will be offering half-termly SEND support meetings for parents and carers, which will take place after school.

These meetings are an opportunity to work together to help your child succeed in school. They will provide time to:

- Talk about your child's strengths and areas of need
- Explain what SEND support means for your child in school
- Share practical strategies to support learning and wellbeing at home
- Discuss any questions or concerns you may have

The meetings are intended to be supportive, informal and collaborative, strengthening the partnership between home and school and ensuring we are working together effectively to meet your child's needs.

We would like to know which time of day would work best for you. These sessions are designed for adults who support children with SEND, so they are most effective when adults can participate fully without having their children present.

If you would like to take part, please complete the form.

Thank you for your continued support.

Yours sincerely,

Jessica Dwyer  
Resourced Provision Lead Teacher
