

27<sup>th</sup> March 2026

Dear Parents and Carers,

**Reception – Zoo Lab visit**

Next half term, as part of our theme, 'Where might you find a Fantastic Beast?' we are inviting Zoo Lab into school where they will spend the afternoon with our Reception children on Friday 1<sup>st</sup> May. The children will be involved in an interactive learning experience exploring many different beasts including tarantula, giant African snails, snakes, tree frogs and many more!

We would be grateful if you could contribute £9.50 towards the session. The cost is calculated by dividing the total amount by the number of children in both classes. Any outstanding money resulting from non-payments is paid for by school. However, the school has limited funds to fall back on, we rely on the good will of parents/carers to ensure that this exciting activity can take place. Otherwise under some circumstances it may be necessary to cancel the visit.

Payments must be made on **Arbor**, please note all payments are non-refundable.

We would be extremely grateful if you could support this valuable learning opportunity. Thank you for your co-operation 😊

Kind regards,

Miss C McKell and Mrs C Dixon

**Reception Class Teachers**
