13<sup>th</sup> February 2026

Dear Parents and Carers,

This Friday we will be sending home your child's reading enrichment and maths books as we have moved to a different way of recording what the children are learning. Since the beginning of this half term, we now record children's learning in a class digital book and in a class floor book where we add photos and capture children's communication and understanding. These are also available for the children to revisit and discuss their learning.

If you should need any further information, please do not hesitate to contact me.

We thank you for your continued support.

Kind regards

Mrs C Dixon  
Assistant Head for Early Years
