

6th March 2026

Dear Parents and Carers,

The Hive will be visiting Malham Cove on Wednesday 18th March as part of our learning about rivers and the water cycle. This trip will give the children an exciting opportunity to see the source of a river and explore how water travels through different landscapes.

We will be leaving school at 9:15am and aim to return by 2:00pm, we will travel in the school minibus.

What your child will need:

- Sensible clothing suitable for the weather (full school uniform, a waterproof coat, and sturdy footwear such as trainers or walking boots).
- A packed lunch and a drink. Those who are entitled to a free school meal can have a packed lunch ordered for them. Please can you ensure that you do not send your child with items of food that contain nuts or glass containers.

There will be no payment to make, school will be covering the cost of this visit.

This will be a fantastic outdoor learning experience, and we are really looking forward to taking the children.

If you have any questions, please get in touch.

Kind regards

Miss Dwyer
Hive Teacher
