

8th May 2026

Dear Parents/Carers,

Thank you to all those who voted in the survey for active uniform. We had a great response and can reveal the results. We had 261 families who voted in the survey and 94% voted in favour of moving to active uniform in September.

Therefore, from September 2026 the school uniform will be as follows:

Plain navy blue or black joggers, leggings or shorts (please no large logos)
White polo t-shirt (this doesn't have to be branded)
A Cottingley Village Primary School jumper, hoodie or cardigan
Black or white trainers

This means that the children can be active throughout the day and have access to PE when the timetable allows.

If you wish you can start wearing this uniform from now or continue wearing your current uniform.

Those children who are eligible for free school meals can get a voucher towards uniform. Please speak to the office for more information about this.

Yours sincerely

Kirsty Hutchinson
Headteacher
