

Dear Parents & Carers,

Year 4 'Growing and Changing' Relationships and Sex Education Unit

Promoting the health and well-being of our pupils is an important part of children's overall education. We do this through our Personal, Social and Health and Economic (PSHE) curriculum. This looks at many topics including physical and emotional health, all kinds of relationships, and living in the wider world.

In the next few weeks, our school will be focusing on part of our SCARF PSHE scheme to deliver some of the Relationships and Sex Education (RSE) aspects of our PSHE programme to Year 4 children. It became a legal requirement in September 2020 for Relationships and Sex Education to be taught across the school, in an age and developmentally appropriate way. The design of the programme has taken into account the requirements of the statutory guidance, up-to-date best practice guidance, and the needs of our children.

Your Year 4 child will be exploring the menstruation cycle and how bodies and emotions change during puberty. During these lessons, correct vocabulary will be taught and shared with your child. Appropriate questions that arise from the children during the lessons will be answered honestly and factually. Each pupil's privacy will be respected, and no one will be asked to reveal personal information. All resources that will be used have been reviewed by the school for their suitability and have been tailored to suit our children's needs.

We recognise that parents and carers play a vital part in their child's RSE, and we encourage you to look at this parent's support page for further support and ideas.

If further advice/support is required or you have any questions about the programme, please do not hesitate to speak to your child's class teacher.

Yours Sincerely,

Mrs Jamal PSHE Lead
