Dear Parent/Guardian

Year 3 Residential to Bradley Wood 10th-11th June 2024

As we are sure you are aware, the Year 3 residential visit is fast approaching and we are getting very excited about our visit.

Just a reminder that the final payment for this residential visit is due by Friday 3rd May 2024, although some permission slips and initial deposits are still outstanding. Payments need to be made by using Parent Pay.

We have attached a medical form which must also be returned to school no later than Friday 3rd May. Children cannot attend the visit without a completed medical form.

We have also included a kit list for the visit. Please ensure that all items belonging to your child are clearly named. It is important that the children bring plenty of layers to put on during activities. They will also need lots of spare clothes to change into as they may get wet on several activities.

Kind regards

K. Garrett
