## Challenge

# Winter

Draw a picture of someone dressed for a cold winter day and then label the clothes they are wearing to keep them warm and dry.

Go on a winter walk with a grown-up and look around to see the things that have changed since the summer.

On winter mornings the ground often looks white with frost. Ask a grown-up to help you investigate the frost and find out what it is and where it comes from.

Design a scarf. You could draw it, paint it or even use other materials to make a collage.

Some animals live in cold places around the world. Draw a picture of an animal that lives in a cold place and find out a fact to share with the class about your animal.

Sammy squirrel hid 8 nuts for the winter. He has already eaten 5 of them. How many nuts has he got left? You could draw a picture or use your fingers to help you work out the answer.

Well done!

You are awarded 5 Dojos for  
completing your home school  
learning.
